First Metals Invites Shareholders to the Fabie Bay Mine Opening

February 25th, 2008 – Toronto, Ontario **First Metals Inc.** (“FMA”-T) invites shareholders, brokers and analysts to the official opening of First Metals’ Fabie Bay Mine near Rouyn-Noranda, Quebec.

The opening activities will extend over the two day period of April 25-26, 2008. Visitors will be offered an underground tour of the Fabie Bay Mine. Arrangements are also being made for a tour of the Xstrata Copper owned Horne Mill where First Metals’ copper concentrate is being produced.

The event will be held in conjunction with the opening of **Globex Mining Enterprises Inc.’s** (“GMX”) new office in Rouyn-Noranda. On Friday evening April 25th, First Metals and Globex will be pleased to offer cocktails and canapés at Globex’s new office, 86, 14th Street, Rouyn-Noranda.

Attendees will be required to make their own travel arrangements but, depending on the number of participants, a charter airplane may be available from Toronto at a preferential rate for attendees. Should you wish to attend, please contact Christine Wright before March 19th, 2008 by email at christine.wright@firstmetalsinc.com or by telephone at (416) 594-3223.

We look forward to meeting our shareholders and informing them as to what we are doing and what First Metals Inc. hopes to achieve in the future.

First Metals Inc. is bringing into production the Fabie Bay copper deposit and the Magusi River copper, zinc, gold and silver deposits near Rouyn-Noranda. It is listed for trading on the TSX and has approximately 39 million shares issued and outstanding.
